Dear Parents and Carers,

Mothers' Day Shop

A Mothers' Day Shop is coming to both schools on 4th and 5th March. The PTFA are running a shop where children can select a present for any relative they would like to celebrate on this day.

The cost of a present will be £3.

If your child would like to buy a present, please send £3 (per present) in a clearly labelled envelope (child's name, class and amount enclosed) by Monday 26th February. Your child will come home with their present/presents before Mothers' Day.

Children who have paid for a present will be given the opportunity to visit the shop on either 4th March or 5th March and choose and wrap their present themselves.

After School Clubs

All Y2 booster lessons finish at 4.15pm

All Infant after-school clubs finish at 4.15pm

All Junior after-school clubs finish at 4.30pm.

World Book Day

World Book Day is on Thursday 7th March. Children are invited to wear a book character costume on this day.

The Infant school are holding a 'potato character' competition.

The Junior school are holding a 'book in a box' competition.

All entries can be submitted in the week beginning Monday 4th March.

World Thinking Day

On Thursday, we celebrated World Thinking Day. Rainbows, Brownies, Squirrels, Beavers and Scouts were invited to attend school in their uniforms. Those children spoke in assembly about what they do in the clubs and how much they enjoy them. This year's theme is Our World, Our Thriving Future so we focused on how we can look after each other and the world we live in.

Enjoy your weekend.

Best wishes,

Mrs Grange

Amazing Arches

Thank you to our Year 5 parents who attended a Spanish lesson on Wednesday as part of our 'Amazing Arches' session. These sessions are designed for you to experience some of our foundation curriculum lessons. This could be history, geography, music, computing, PE, art, design technology or Spanish (just Juniors).

Our Arches Curriculum has been designed by the to develop the whole child by providing a broad, balanced and challenging education that is rooted in our Catholic faith. We aim to create ambitious, resilient and well-rounded learners who place Christ at the centre of their lives. We strive for excellence in all aspects of our teaching and learning, recognising that each child is unique and has individual needs. Our curriculum is designed to be inclusive and to ensure that every child is given the opportunity to succeed. We provide a range of experiences and opportunities for our children to develop their knowledge and skills, whilst encouraging them to be curious, creative, and independent learners who are confident and prepared to be successful for the future. Within this broad and balanced approach, we place an important emphasis on promoting health and well-being.

This half term we will be encouraging and focusing on **health and wellbeing**.
