ST MARY'S
CATHOLIC INFANT AND JUNIOR ACADEMIES

School Uniform Policy

Designation	Name	Date Approved	Date of Renewal
Executive Headteacher	Mrs Samantha Birchall	Sep 2025	Sep 2026
Chair of Governors	Mrs Vanessa Wells	Sep 2025	Sep 2026

1. Aims

This policy aims to:

- ❖ Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- ❖ Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- ❖ Clarify our expectations for school uniform

2. Our academies' legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- ❖ Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- ❖ Allow all pupils to have long hair. We would prefer that long hair is tied up every day for school but will insist that long hair is tied up on all P.E days and in DT and Science lessons, when needed, for health and safety reasons
- ❖ Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the heads of school who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our academies have a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. With this in mind -

We will make sure our uniform is available at a reasonable cost and provides the best value for money for parents/carers

We will do this by:

- ❖ Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics to - the school's cardigan/ sweatshirt and the academy polo shirt/ PE shirt (All of which can be bought without logo if parents wish)
- Working with more than one supplier of school uniform in order to offer parental choice and healthy competition in order to keep prices competitive. We currently have established suppliers based in the St. Helens and Warrington areas.
 - ❖ Avoiding specific requirements for items pupils could also wear on non-school days, such as coats, bags and shoes
- Avoiding different uniform requirements for different year/class/house groups (not including the change from polo shirt in EYFS to collared shirt throughout the school).
 - ❖ Avoiding different uniform requirements for extra-curricular activities
 - ❖ Making sure that arrangements are in place for parents to acquire second-hand uniform items
 - ❖ Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
 - ❖ Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

- ❖ On the school premises
- ❖ Travelling to and from school
- ❖ At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

- ❖ Clean
- ❖ Clearly labelled with the child's name
- ❖ In good condition

Parents are also expected to contact the heads of school if they want to request an amendment to the uniform policy in relation to:

- ❖ The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- ❖ Resolved locally
- ❖ Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the heads of school if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by discussing the breaches and resolving with children and parents.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Local Academy Council

The Local Academy Council will review this policy and make sure that it:

- ❖ Is appropriate for our school's context
- ❖ Is implemented fairly across the school

- ❖ Takes into account the views of parents and pupils
- ❖ Offers a uniform that is appropriate, practical and safe for all pupils

The Local Academy Council will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

6. Monitoring arrangements

This policy will be reviewed every two years by the executive headteacher and heads of schools. At every review, it will be approved by the Local Academy Council.
